Support our annual community composting forum in Cleveland, OH.

**WHO WE ARE**

A network of community composters and movement allies (including members of the 300+ strong Community Composter Coalition) committed to keeping composting and its benefits local.

**OUR IMPACT**

Community composters:

- Create jobs at a rate
  
  \[3x\] that of landfilling &
  
  \[6x\] that of incineration.

- 71% provide community engagement opportunities

- Staffs are on average
  
  33% male vs the conventional waste industry: 83% male

- Fill service gaps in chronically under-resourced communities.

- And much, much more!

**EVENTS**

2 days of forum programming

1 day of tours & service project

**FOCUS**

Cultivating a sustainable community composting movement through connection & collective problem-solving.

**SPONSORSHIP**

Funding allows us to prioritize equitable access to forum events. Last year, 83 of the 189 attendees received scholarships in order to attend. Below are the sponsorship tiers.

If interested in sponsoring specific items (e.g., registration scholarships, bus tours, the venue, lodging, the reception) please reach out to composting4community@ilsr.org.
