

Earth to plate, plate to Earth

COMPOST PICKUP SERVICE

Whoa, here in Raleigh?

*Yeah, I know.
It's nuts!*

COMPOST

We collect those scraps for composting into nutrient-rich compost.

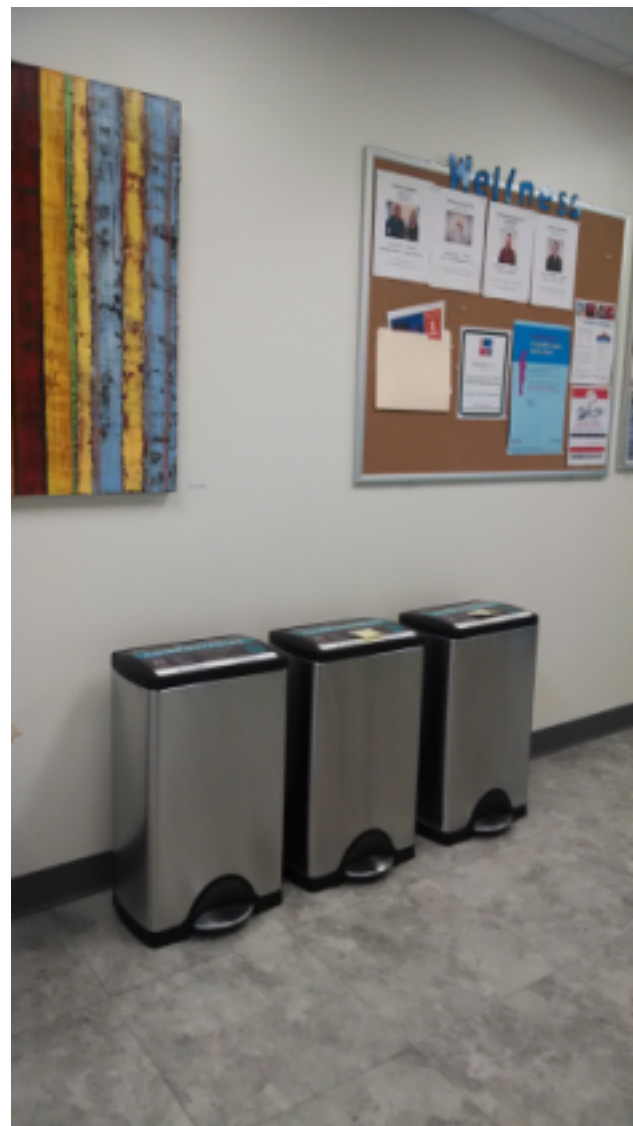

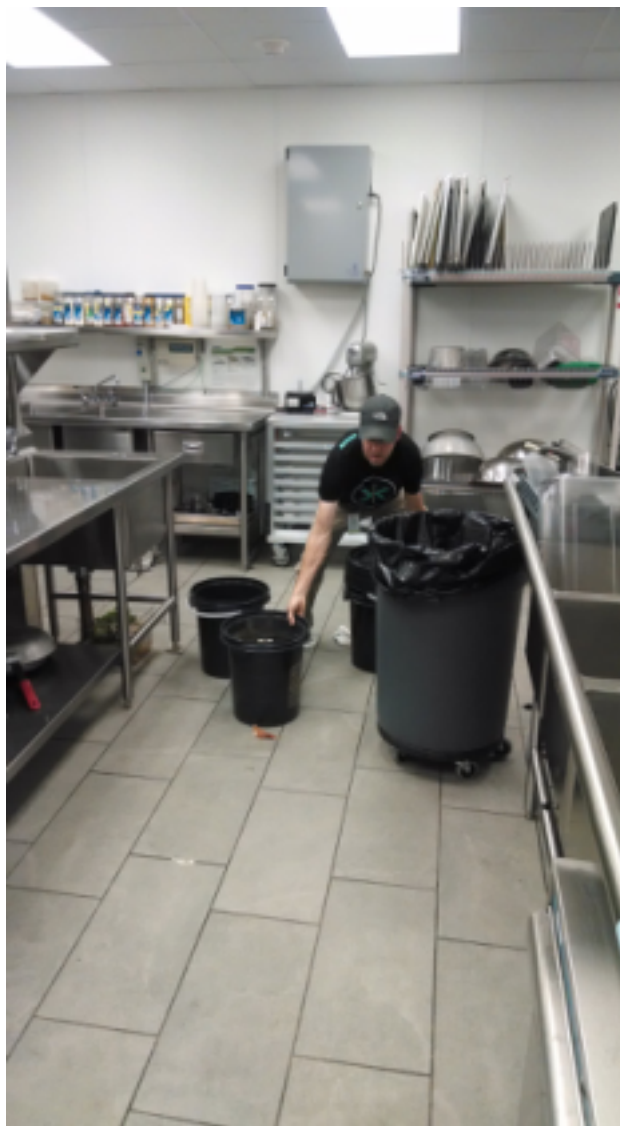

SCRAPS

You put your food scraps and organic waste into bins we provide.

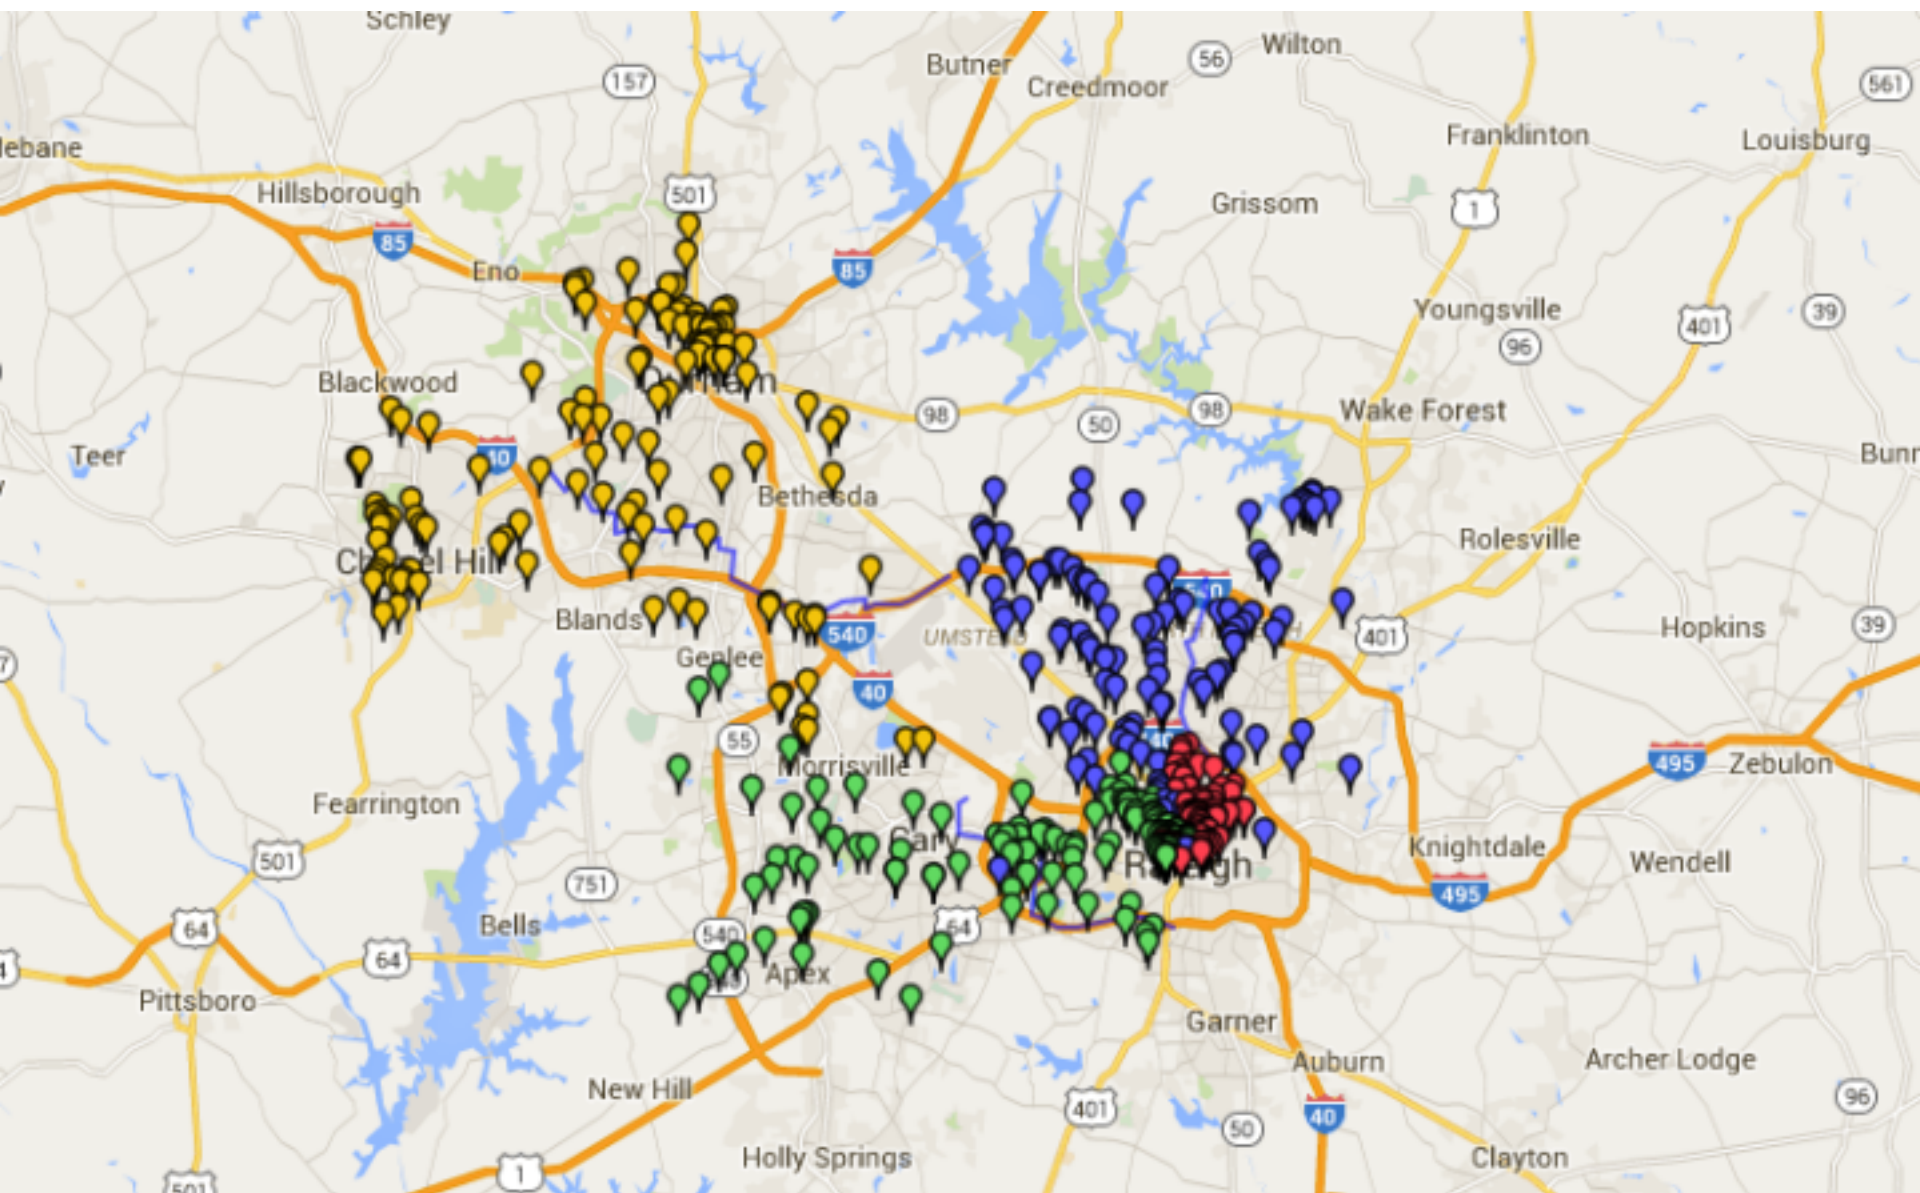

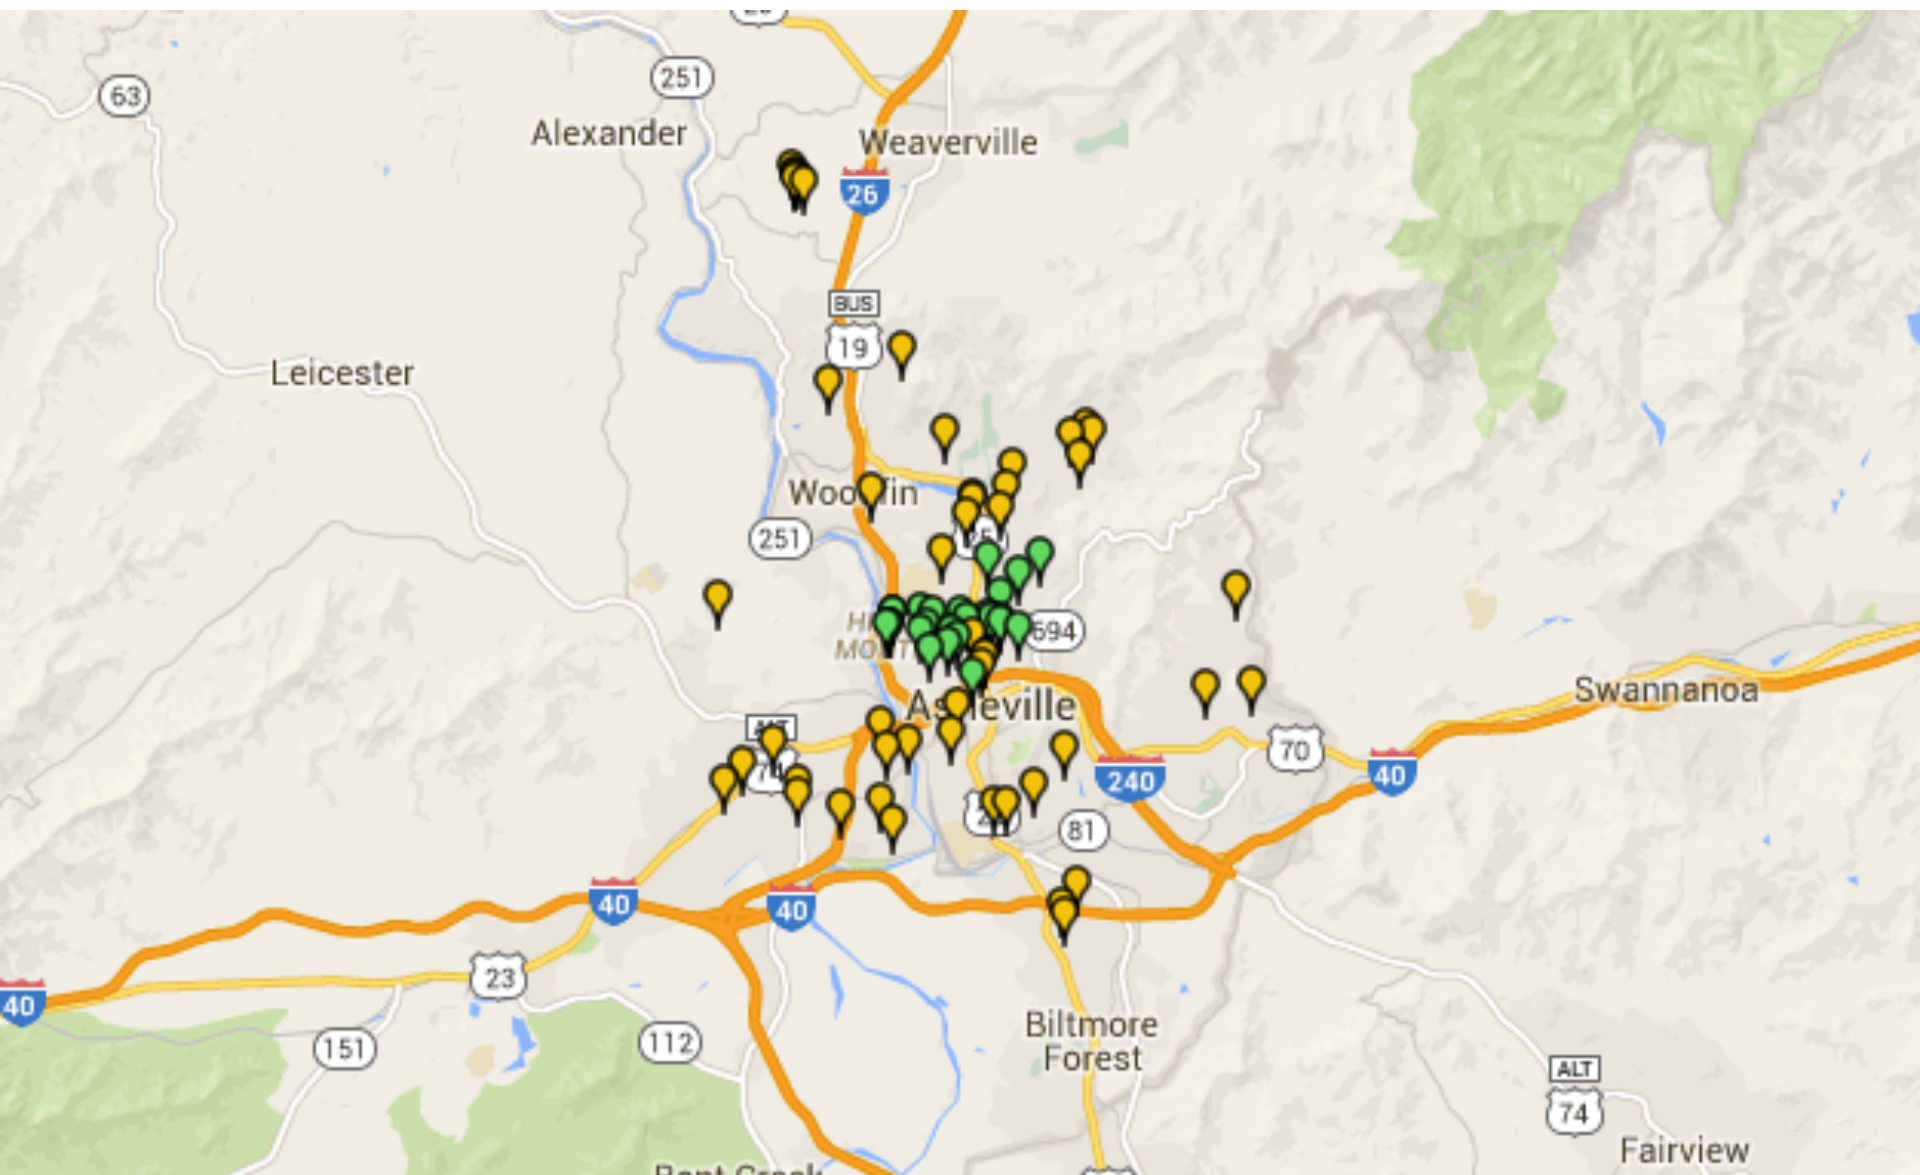

GARDEN

The compost is delivered to community gardens, supporting their mission of accessible, local food.

Thank you, composters!

Our approach to outreach has been to **delight our customers** and let them tell our story.

• **Why CompostNow** •

Welcome Justin!

Your Impact

You have diverted approximately **609 lbs** of food scraps since July 2014. Well done!

Share this great feat with friends:

Your scraps will produce **304 lbs** of rich compost, and avoid releasing 79 lbs of methane at the landfill.¹

That's enough to offset **3,459 miles** driven by a car, or like parking it for 2.7 months.²

Even better, the compost can grow 61 tomato plants, yielding **305 delicious tomatoes**.

Your Compost

You have **426 lbs** of compost available. ([what's this?](#))

[Request Your Compost](#)

OR

[Share Your Compost](#)

Don't need your compost? Don't let it go unused. Let us [share](#) it with a worthy community garden.

When the spooky festivities are done, compost those pumpkins! Members, put your pumpkin on the bin, or next to the bin with a note. We'll pick it up!
